

BRAG Update April 2024

"LET'S GIVE BUNYIP SOMETHING TO BRAG ABOUT!"

OUR VISION: *Bunyip and District will become an environmentally sustainable, carbon neutral community*

OUR MISSION: *To reduce Bunyip and District's carbon footprint.*

BUNYIP COMMUNITY MARKET:

So sorry we will miss the March Market but hope to be back in April so please come and say hi.

HOME ENERGY EFFICIENCY ASSESSMENTS:

If you are interested in finding ways to reduce your carbon footprint AND your power bills please contact us via bragbunyip@gmail.com to let us know you would like a home energy efficiency assessment by our trained volunteers. The assessment will take about 1.5-2 hours and you will receive a detailed report of ways you can cut your power consumption this winter. The cost is just \$20 (or free for BRAG members)

BUNYIP SOLAR FARM:

Negotiations for this exciting project are still on-going but in a major development we have decided to install a much larger battery in order to assist with stabilising the local grid.

The proposal is now for a 5MW/10MWh.

Working with AusNet to get grid connection approval for this new configuration is a substantial process and we will be working through this with our partners at Komo Energy.

Watch this space and the local facebook page for more information as it becomes available.
